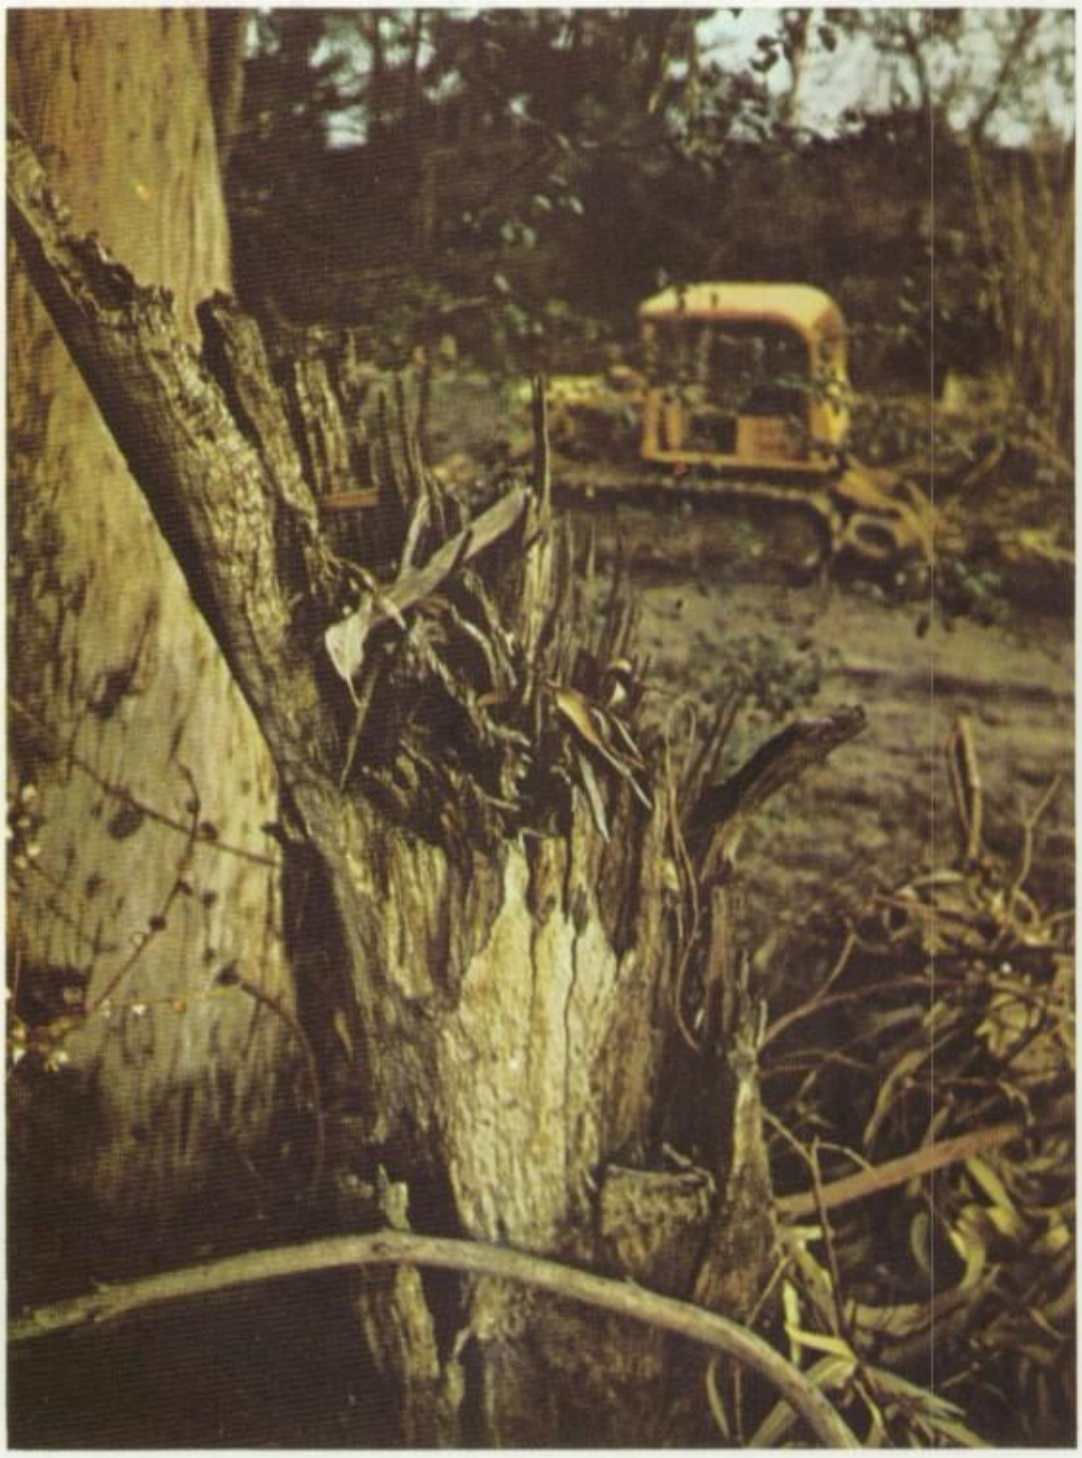
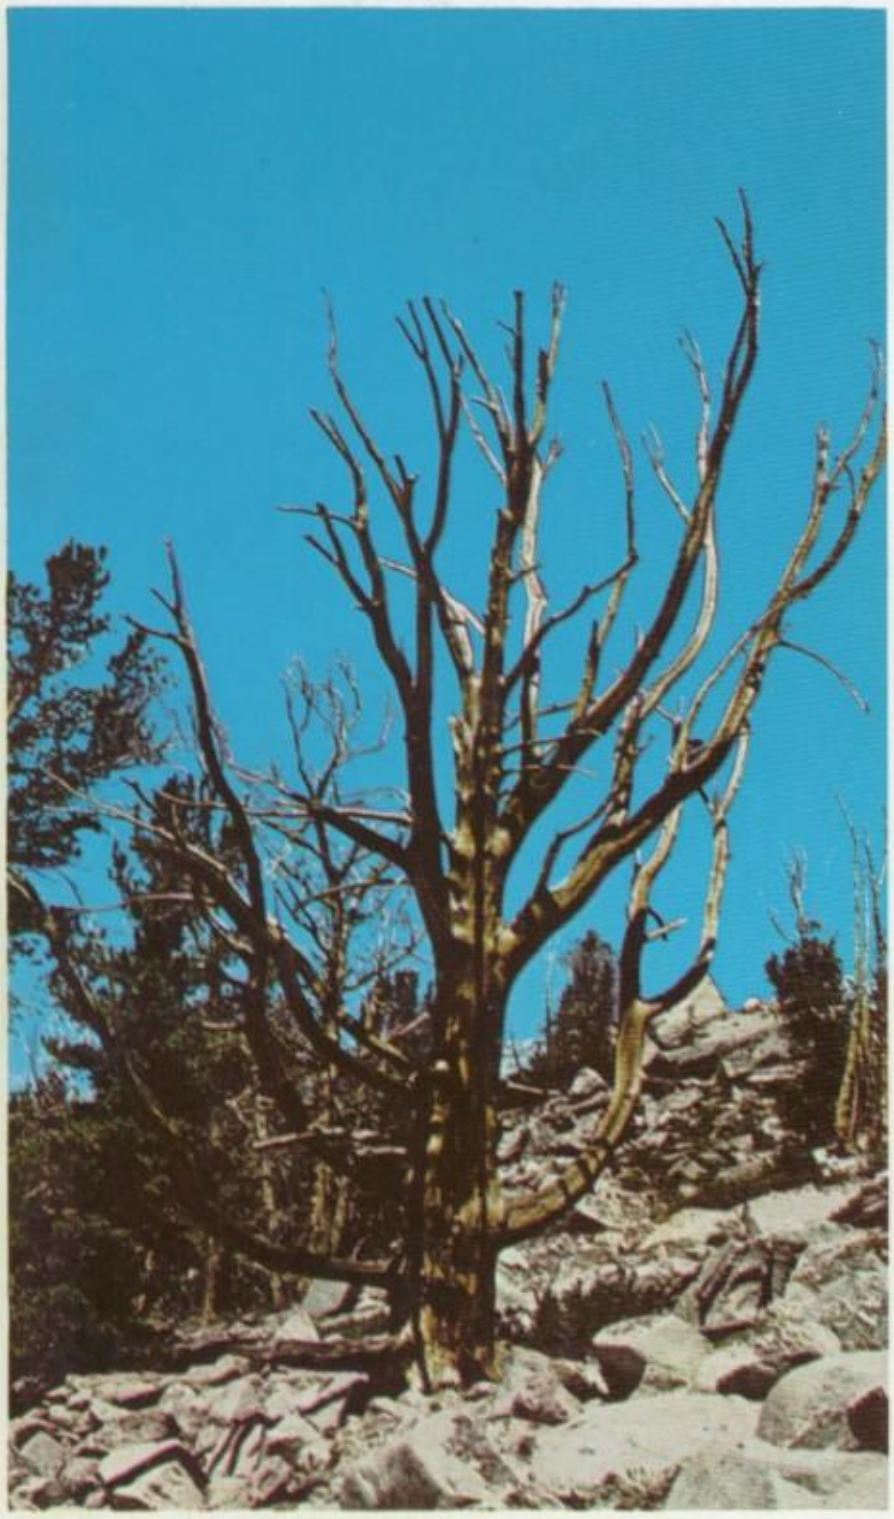
To everything there

is a season,

and a time to every

purpose under heaven;





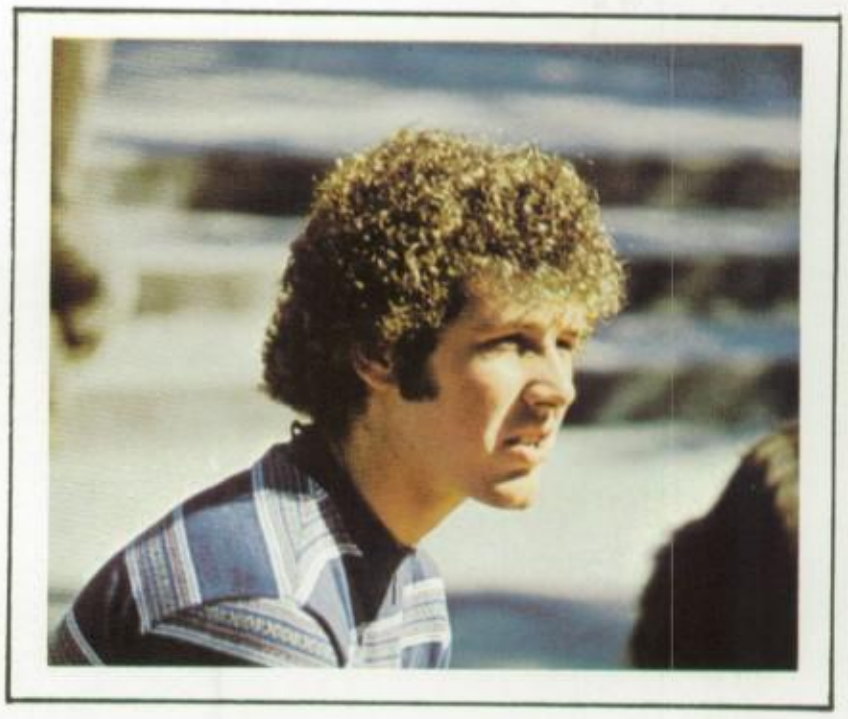
a time to be born

and a time to die;

a time to plant,

and a time to uproot

that which is planted;

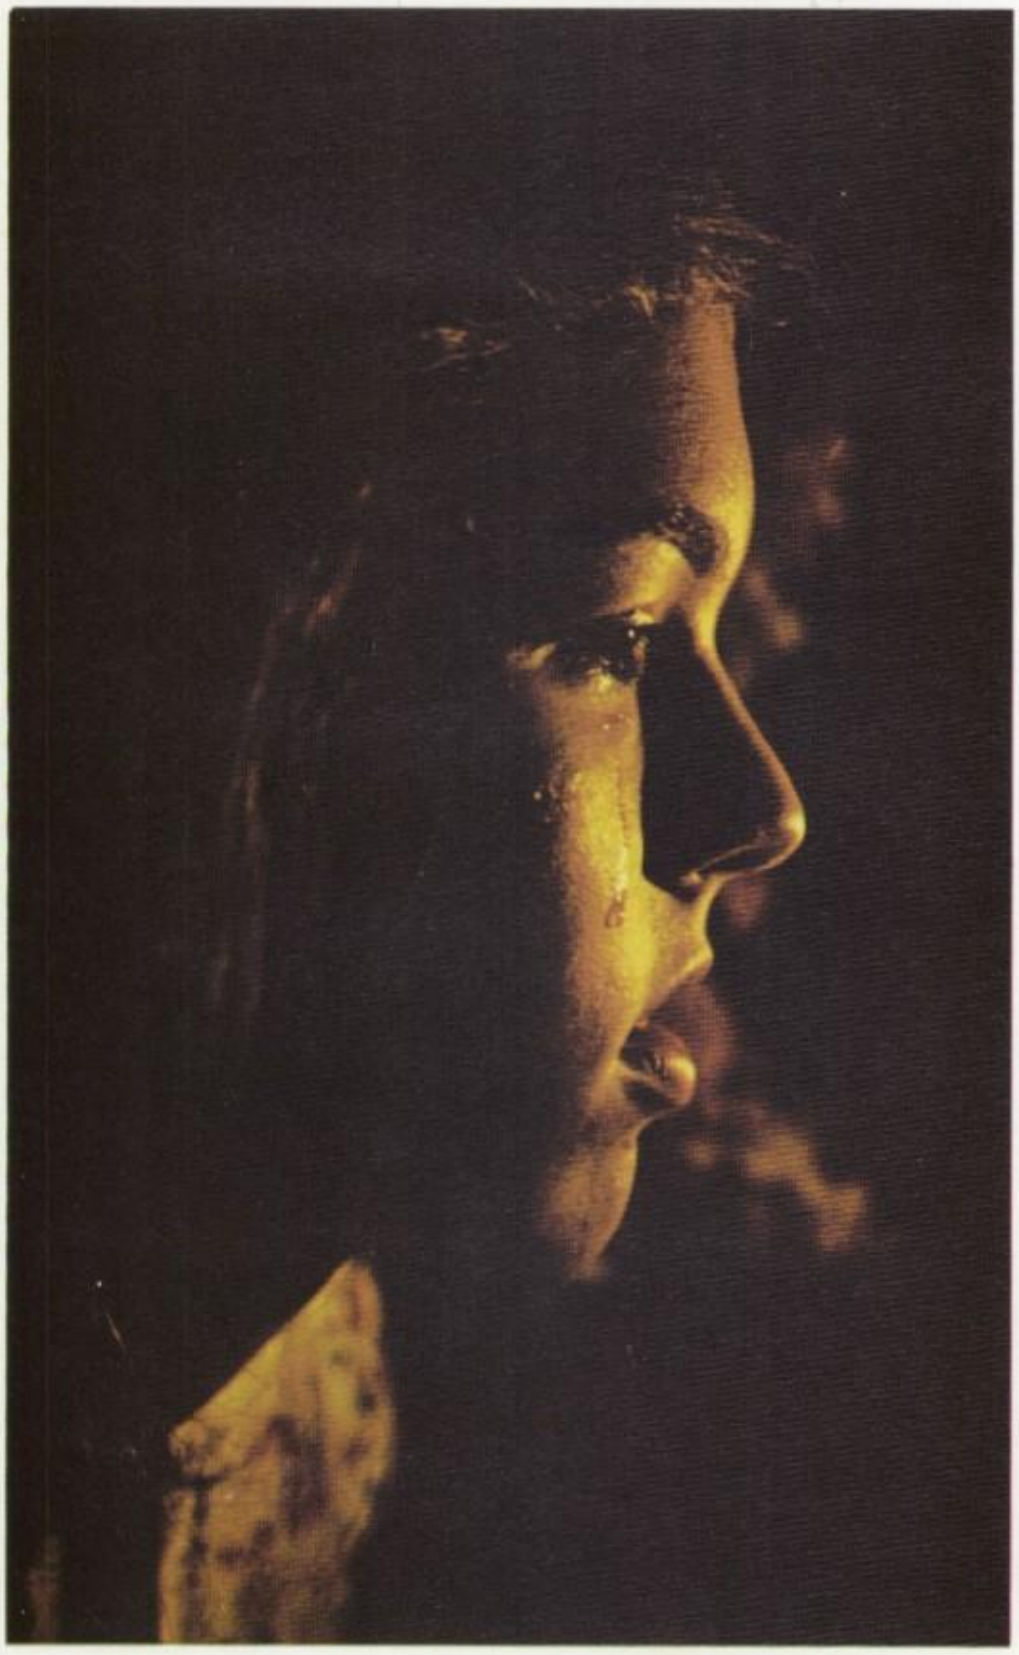


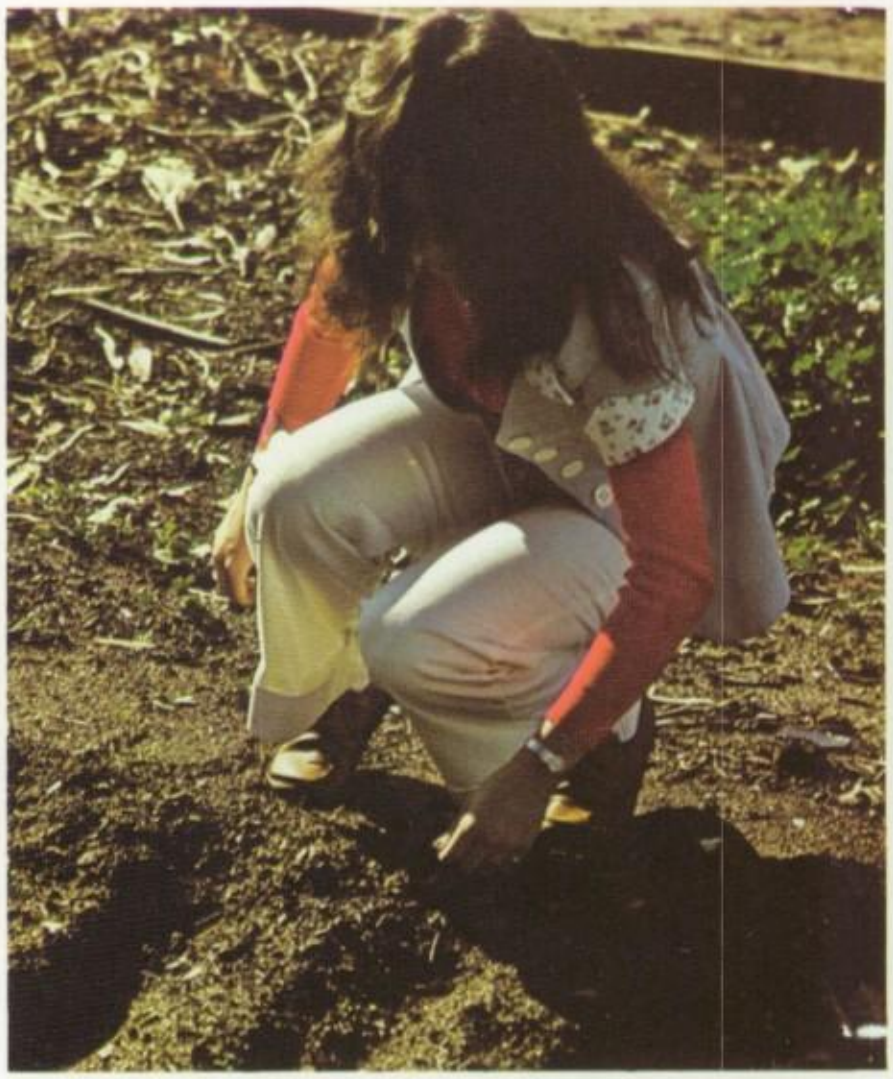
a time to weep,

and a time to laugh;

a time to mourn,

and a time to dance;





a time to seek,

and a time to lose;

a time to keep,

and a time to cast away;

a time of war,

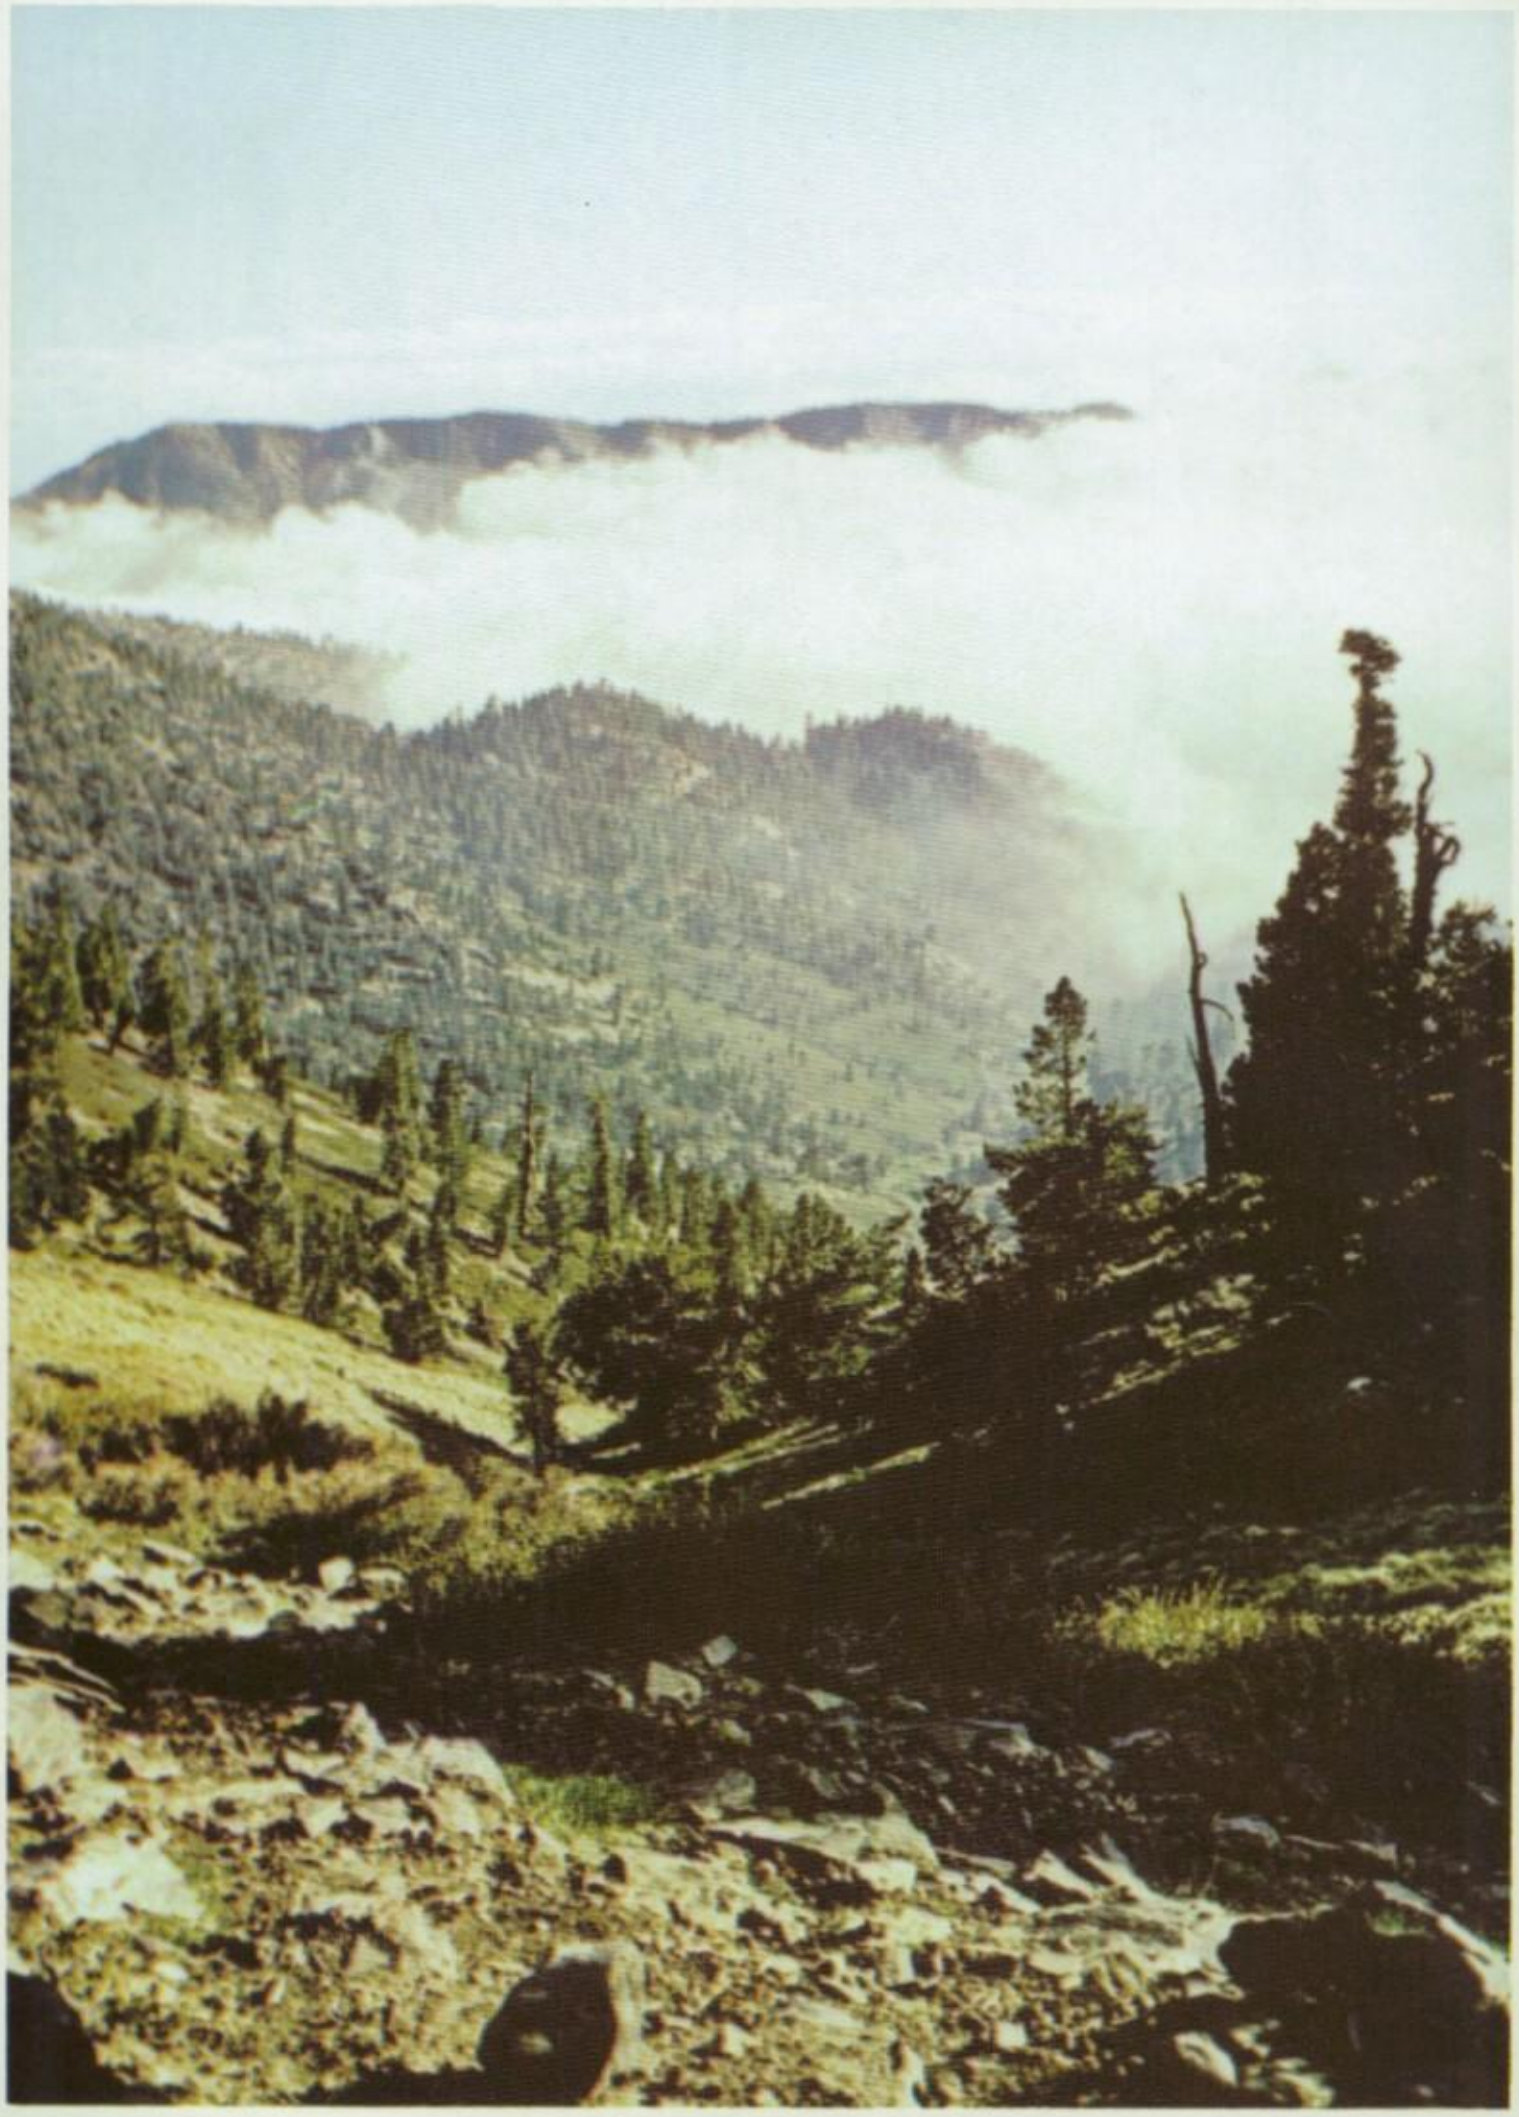
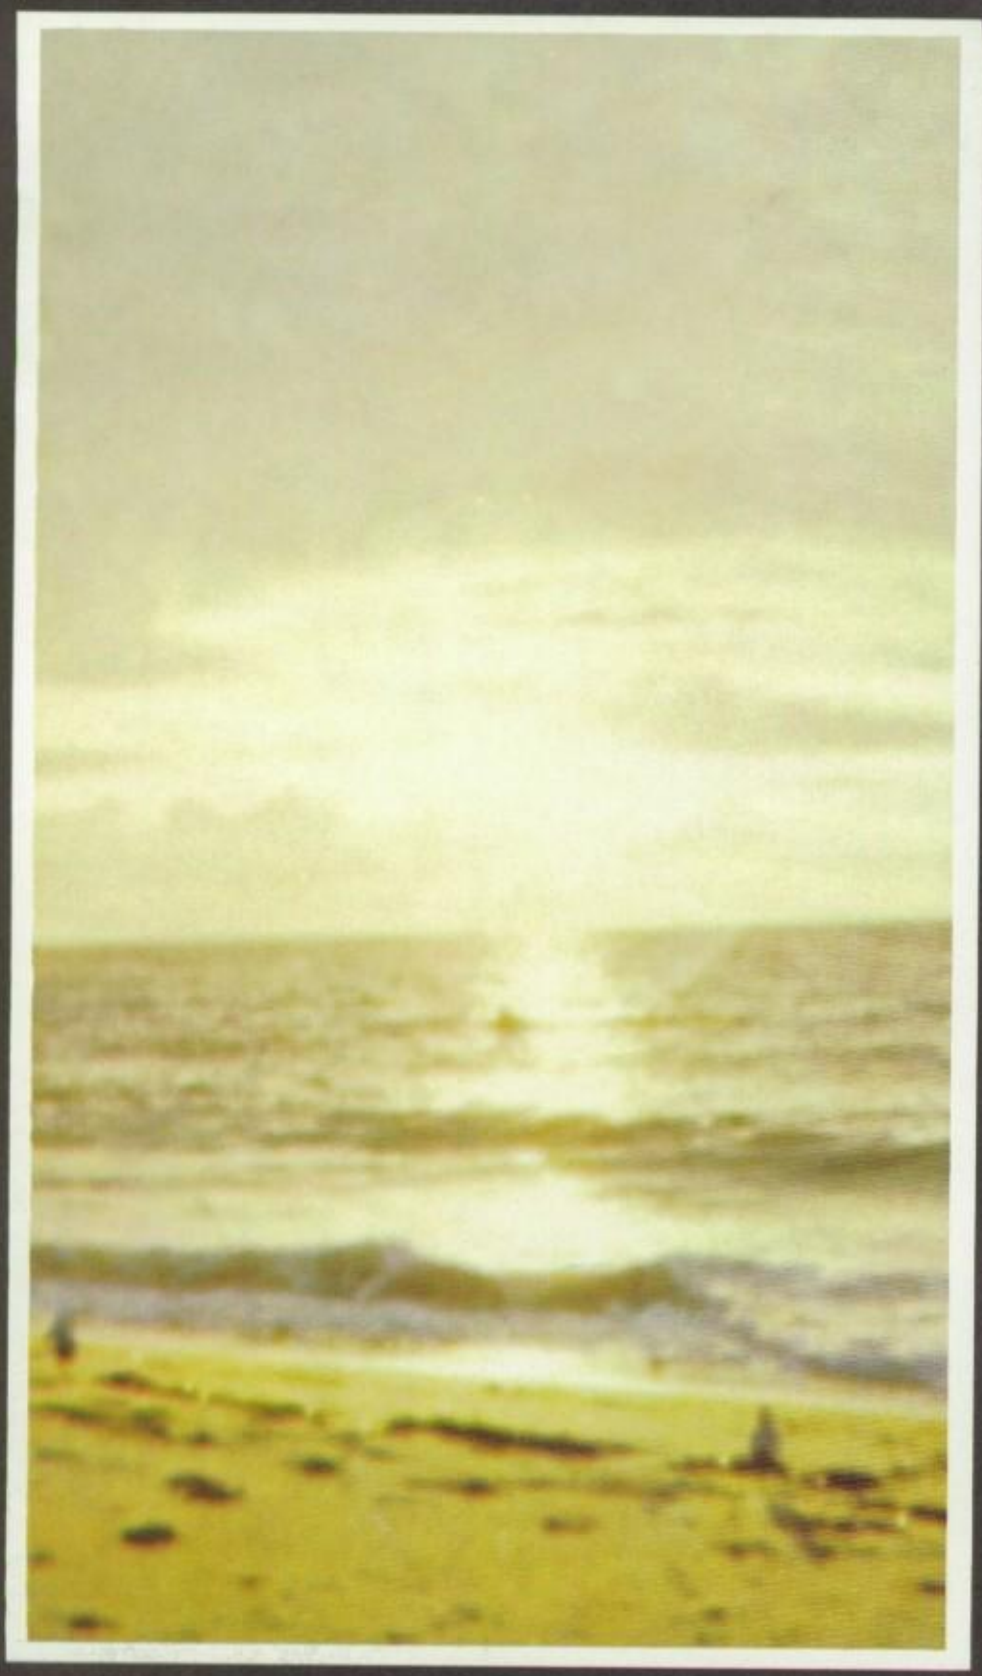
— *Ecclesiastes*





There is nothing permanent
except change.

— *Heraclitus*

In searching for a unifying theme for the 1975 Shield, we encountered a thing called change . . . a breaking of tradition for the sake of a more accurate view of Foothill throughout the year. We have been inspired by change, and it is hoped that our new ideas will be as well received by the students as they were originally by us.

We, the yearbook staff, would like to proudly dedicate the 1974-75 Shield to the graduating class of 1975, in hopes that they also may benefit from the changes that they soon will face.

The First Empire League Champions

That's what the 1974 Foothill Varsity football team earned this season behind the coaching staff of Mike Van Dordrecht, Steve Koser, Jeff Crucil, and "Coach of the Year" Robert Osborne. The Knights had a balanced game of running and passing which was backed up by a mobile, and stinging defensive unit. The Knights got off to a roaring start by defeating both of their preseason opponents. In their first Empire League opener, the Knights embarrassed hard hitting Katella in an impressive win 42-6.

With the Empire League coaches aiming at Anaheim, the Knights took command of the league and held Anaheim to a scoreless game before 10,000 at Glover Stadium. After getting by Kennedy 28-22, the Knights proved to be no joke as they went on to destroy the remaining opponents in league play by scores 34-12, 40-7, 42-14, 42-15, and win the first ever Empire League Championship. The Knights went on to the C.I.F. playoff games, and beat El Rancho 26-7 at the Santa Ana Bowl. In the second round of C.I.F. play the tables turned on the Knights as they dropped a hard fought and physical game to a well balanced South Hills team 16-14. Behind the arm of Paul McGaffigan, "Back of the Year," and the great defense, headed by Mike Knapp, the Knights placed 4 members on the All-Orange County team and 14 on the All-League team. The Knights ended up 10-1 overall and captured the first ever Empire League Championship.

finished their season play with an overall record of 5-3-1 and 3-3-1 in league play. Getting off to a strong start the Mini Knights were led by quarterback Rob Gardner and running back Jim Burt, who was selected Most Valuable Back for the 1974 season. Turning in great defensive play were Greg Knapp, David Knox, Ralph Oswald, and Jim Bremer who was selected Most Valuable Lineman for the 1974 season. The Mini Knights posted a well balanced offensive and defensive attack all season long, with improved play from Steve Mitchell, Robert Coombs, Dave Crowell, Jon Lewis. The Varsity coaching staff lists this class of players exciting and also promising; they look for exciting play from all these young men as future Varsity football stars.

There's always next year...

and that's what the 1974 Soph Frosh football team will be looking forward to after a disappointing season of a 1-8-0 record. The Knights got off to a slow start in the tough Empire League, as they dropped their first seven games. Improvement was shown as the season wore on, the Knights finally got it together as they beat Orange in a tough battle 14-6. Still showing improvement the Knights dropped two tough battles to Huntington Beach 12-13, and to Saddleback 8-14, a game they should have won. The Knight's offense was led by Soph. running back Tom Astor who led the Knights in scoring with 3 TDs. Other good offensive play was turned in by running back Tom Kries and split end Tom Houlihan. Tight end Mike Baudoine led all receivers with 13 pass receptions. Linemen turning in good play this season were Rich Katnik, Bruce Stedman, and Tom Vlach. Good luck in 1975!

Pies went to the highest bidder for the pleasure of 'creaming' their 'favorite' student or teacher. Contests such as a tire roll, chariot race, egg toss, tug-of-war, and several pool relays, added points to each class' weekly total, with the seniors pulling out ahead in the final competition yell. The juniors ended with a close second, while the sophomores and freshmen finished third and fourth respectively. All in all, it proved to be an exciting and pleasurable week for all participants.

Other munchies such as pretzels, bagels, and pickles were sold by German Club, Speech Club, and Band respectively. Decorated with live plants, shrunken heads, bamboo huts and grass shacks, the gym resembled a jungle village. Between 10:00 p.m. and 1:00 a.m., refreshments were served and everyone danced to the sounds of "Sage." Playing "Chicago" tunes, "Beach Boys" hits, and some of their own songs, "Sage" proved itself to be a find band.

VARSITY

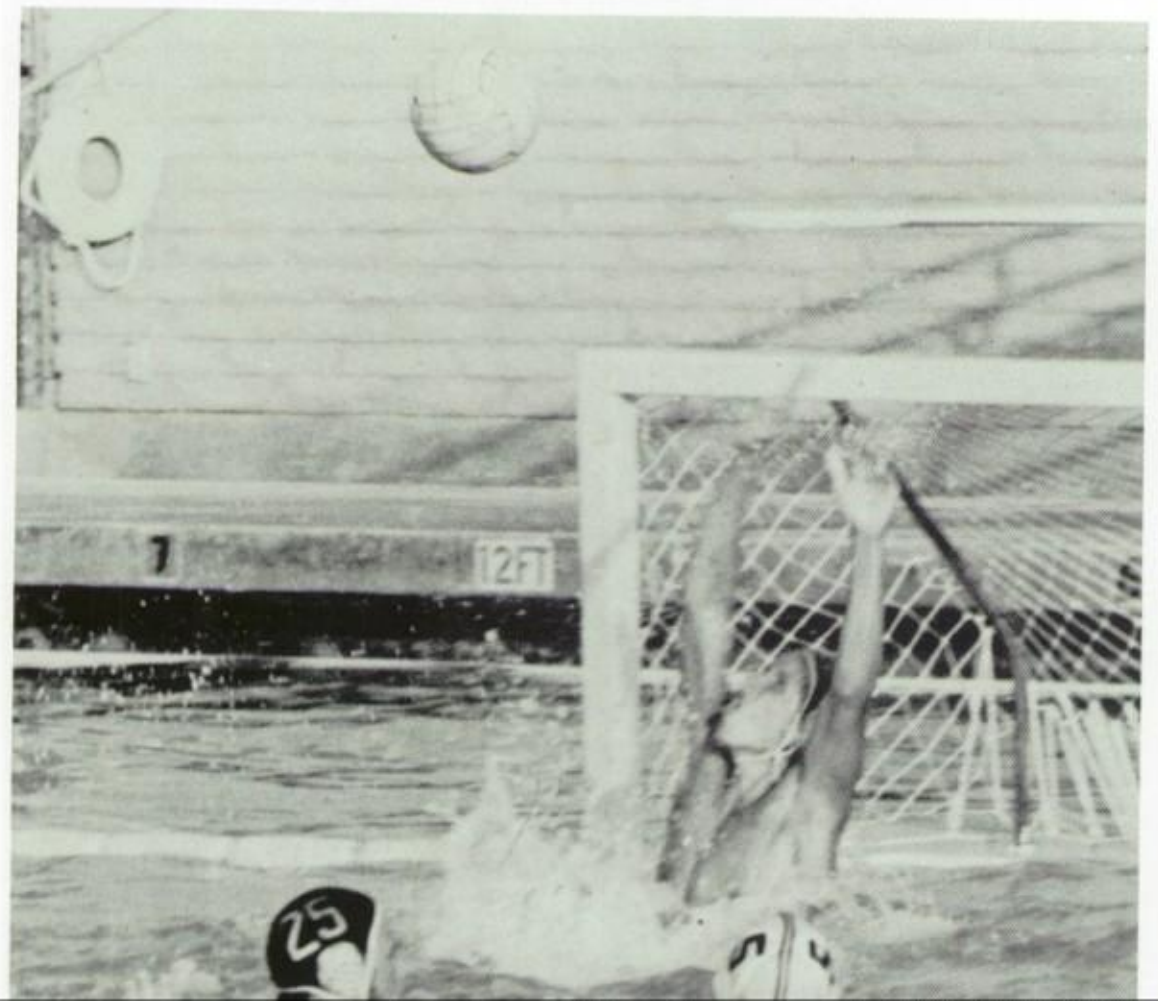
VARSITY PLACES SECOND
IN NEW EMPIRE LEAGUE

The 1974 Varsity team posted a fine 14-5 record. They placed second in the New Empire League with a 6-1 record. Huntington Beach downed the Knights three to two; however this was only the second league loss in Foothill's history. The team out scored their opponents 163 to 92. Co-captains Peter Spurzem and Bruce Furniss were the leading scorers with thirty-five and forty-five goals respectively. Goalie, John Gansel was outstanding during the season as he turned away many would-be scores. John also lead all players in time played, as he played in every quarter of every game.

The best team effort came in the game with Palos Verdes which the Knights won ten to four. The ten to eight win over Long Beach Wilson was another season highlight.

Bill Bunge, Warren Oswald, Steve Yancey, and Bill Davis were the starters for most of the season. The Knights' bench was strong with good play turned in by Mark Secor, Jeff Harman, Andy DeBoer, and Craig Furniss.

Varsity psyches up for their game.



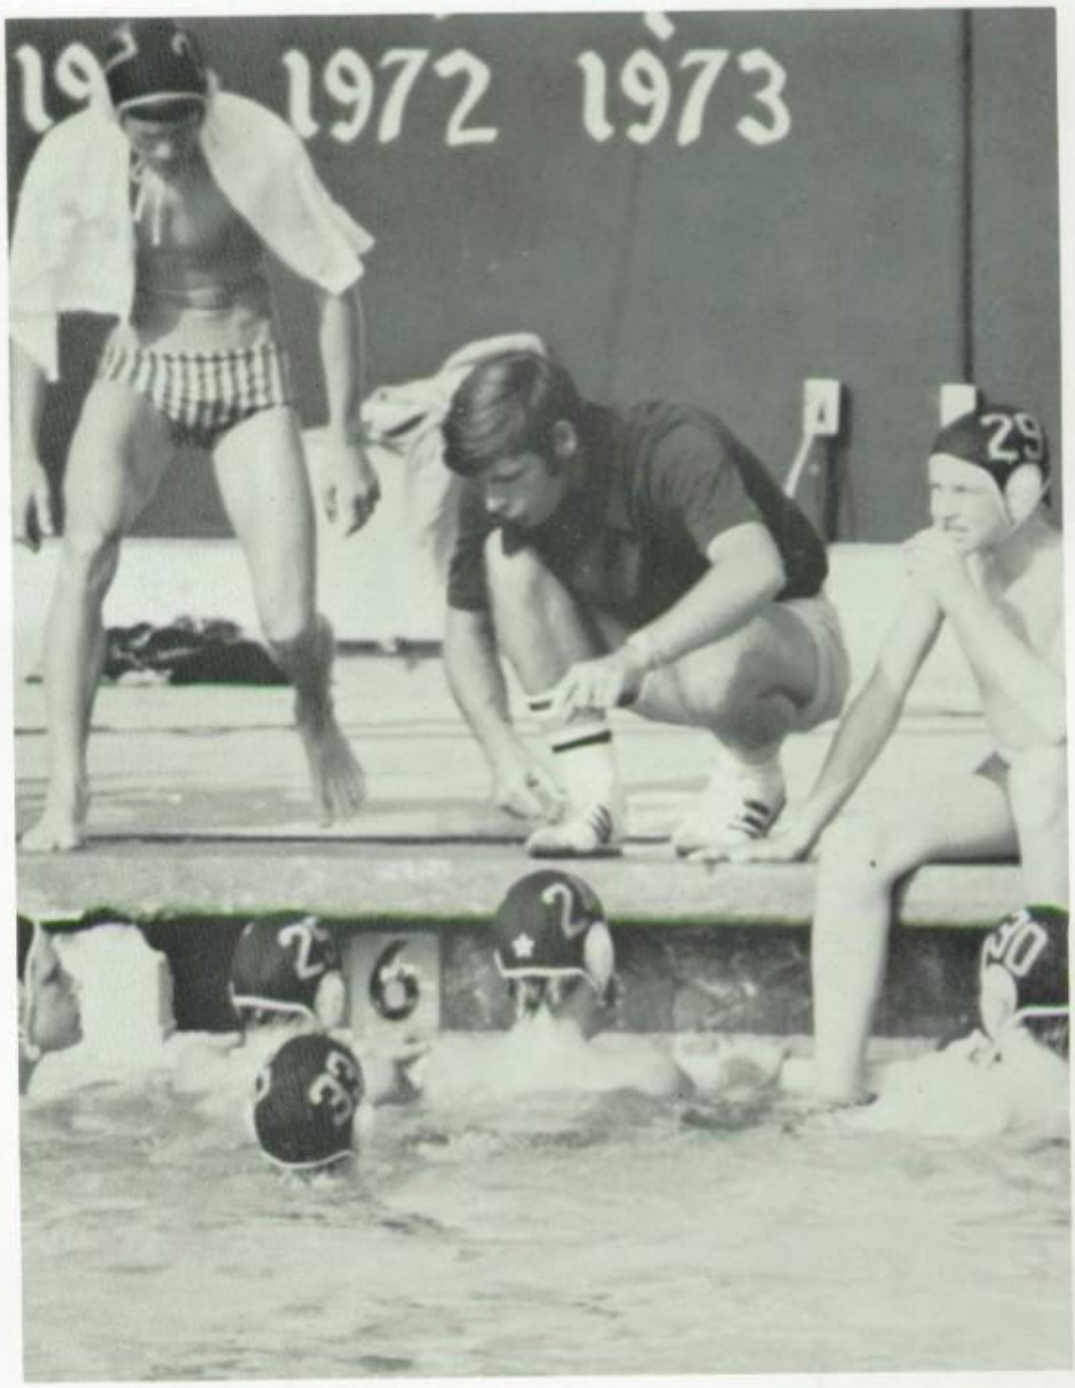
FROSH SOPH

FROSH SOPH, 1974 CHAMPIONS

Foothill High has had many fine Frosh/Soph water polo teams throughout the years, and this year was no exception. The 1974 Frosh/Soph water polo team compiled a fine win-loss record of thirteen wins and two losses.

Among their many accomplishments are: A New Foothill win-loss record; they are also the Newport-Mesa Tournament Frosh/Soph Champions, and to achieve this honor they had to defeat such teams as Newport Harbor High School, Corona Del Mar High School, and Lakewood High School; the Frosh/Soph Knights are also the 1974 Empire League Champions.

Some of the outstanding Sophomores on the team who showed fine leadership throughout the season were John Batchelor, Mike Cummins, Phil Darling, Jeff Dean, Brendon Donoghue, Buzz Harper, and Ed Reynolds.



Coach Simcox advises Frosh/Soph.

JUNIOR VARSITY TAKES EMPIRE LEAGUE

The members of the 1974 Foothill High Junior Varsity water polo team had to have had the toughest team assignment out of the three squads. Some of the participants on this team were members of the Varsity squad and some were members of the Frosh/Soph squad. This situation created a kind of melting pot atmosphere and yet a very successful and rewarding season.

The Junior Varsity squad this year was the Empire League Champions with an impressive 7 and 0 win-loss league record, and a total season record of ten wins and four losses. This was the best Junior Varsity record ever at Foothill.

Outstanding performances were turned in by Dave Duran, Don Chase, Barney Gavin, Paul Terry, Roger Gales, Jeff Drucker, Chuck Scott, and Scott Turknette.

This year's varsity team had a 6-1 dual record combined with a League Finals first place for a team championship. Although the dual meet win streak was snapped at 20 straight wins, Foothill came back with a league meet win and went on to place fourth in C.I.F.

Foothill placed 4 men on the "All County" Team: Brad Way, Dave Toberty, Mark Spilsbury, and Matt Bell. The team is losing one of the best distance runners in the county with Matt Bell's graduation. Says Coach Whitaker, "If we can replace Bell's leadership, we could have the strongest team in Foothill's history next fall.

The J.V.'s were 6-1 and lost a share of the league title by 1 point.

But the Frosh-Soph were undefeated in all league competition, placing 6 runners on the "all league" first team. Brad Way was a standout Freshman with "ALL COUNTY" and the individual champ at league finals.

Team depth and team improvement were the key reason for success. Shane Donovan, Jeff Sutherland, Matt Fjeldsted were additional standouts that will be looking towards varsity jobs next year.

Varsity

The Varsity basketball team, under the direction of Coach Sorenson, had a very tough and exciting season.

The Knight's got off to a slow start by losing seven of their first eight games, many of them by close scores. But once league play got under way the Knight's got their game together, and with a good defense had successful record of 8 wins and 6 losses. At one time during the season the Knight's won five games in a row. The Knight's were led by captain Buck Day. Buck was the team's leading scorer and rebounder. He also made the All Orange Tournament team. Rounding out the starting five were Eric Weber, Dave Flynn, Craig Morris, Brent Kruse, with Steve Egge making an occasional start. Also contributing were Dan Rasmussen, Ken Chapin, Mark Wening, John Sayres, Kevin Murphy, and Mike O'Connor.

Many thanks to the Knight's for an exciting season and an excellent effort. We hope for a more successful season next year.

Junior Varsity

It was a difficult season for the Junior Varsity basketball team. But with good inspiration and team play they put out an excellent effort. The JV team had a tough time in league play but rallied back with a good defense and ended up with a 6-8 record for the league. The team was directed by Coach Reames.

The Junior Varsity team was led by leading scorer Terry Allbritain, a freshman, and the leading rebounder was Augie Opfell. The rest of the team consisted of Jim Nelson, Clay Longway, Gary Sully, Jim Pinkerton, Walt Combs, David Garrett, Tom Lu, Ralph Woebken, Jim Forkey, and Bill West.

Foothill is looking forward to a much stronger JV team next year.

Randy Hicks looking for the open man.

Sophomore

The Sophomore basketball squad put out an excellent effort under the leadership of Coach Ford. They battled hard during league play and ended up with a 7-7 record. The Sophomore team was led by leading scorer Tom Hulahand and leading rebounder Myron Bartlett. Rounding out the rest of the squad were Scott Selins, Dave Willins, Tim Hannah, Randy Hicks, Bill Darlington, Bob Wallace, Dan Garrett, Dave Scott, Mark Weber, Ken Shimaz, and Ted Noble.

Freshman

The Freshman basketball team was the most successful squad in the history of Foothill basketball. They are the only basketball team ever to go undefeated for an entire season at Foothill. For the season their record was 21-0. In league play the Freshman Knight's were 14-0. Throughout the season the Frosh cagers destroyed their opponents, winning by scores like 47-25, 54-32, 69-41, 54-36, and an amazing 74-16. But in the last game of the season they fought hard to keep their undefeated record alive by defeating Huntington Beach by only three points.

The Freshman team emerged as one of the greatest and most talented freshman teams ever at Foothill. Many of the players are JV and Varsity bound next year. The starting five consisted of guards Steve Arnold and George Blanton, forwards John Cannon and Steve Marsh and center Al Brehm. The leading scorer was Marsh and the leading rebounder was Brehm. Steve Cannon set a Freshman record during the season by scoring 30 points in one game. Contributing heavily as the sixth men during the season were, Steve Wheeler, Steve Seitzinger, and Mark Rowen. Other team members are Pete Buecke, Glenn Brugman, Dave Baucom, Frank Horan, Gary Nenadal, and Jeff Rusk. They all have good futures. In three years you could see this team dominate the Varsity.

Many thanks to Coach Southern and his team for a great season.

This year's wrestling team had a disappointing season but managed to pull through with a 5-3-2 record. Hopes were with the sky that the team would take first in league. Led by Chris Irwin, Matt Wagner and Jeff Smith they were able to take second in the Neff Invitational Tourney.

The JV and Frosh-Soph teams both came out with as much, and more than was expected. The JV, led by Capt. Dave Bartick, Joe Hammer, and Tom Buckley was able to cop an 8-2 with a second in league, and two firsts in tournaments. The Varsity will be strengthened next year as a number of JV's are juniors.

Frosh-Soph finished 4-5-1 while individual stars Ralph Oswald, Mike Wagner, and Tom Astor led the way. Coach Koser was able to field a full team for the first time in Foothill's history of wrestling.

Volleyball

This year's varsity volleyball team did exceptionally well. All challenging opponents, with the exception of Corona Del Mar, were defeated. This showing sent the team to CIF competition.

The Junior Varsity team had a winning season, with a season record of six wins and four losses. They made a great comeback in the middle of the season defeating arch-rival Tustin, by scores of 15-2, and 15-0! The game against Santa Ana was considered the best of the JV showings.

For those people involved in volleyball this year it took a lot of time and effort from each girl, and each member of the team deserves much recognition. The year proved to be very rewarding for them even with their hard work.

It took a combination of excellent teamwork, individual effort, and the improvement of the varsity's skills to lead them to CIF.

TENNIS CAPTURES LEAGUE TITLE

This has been a most exciting and memorable year for the Girls' Tennis Team in the new Century League. The team was undefeated in league play capturing the league championship. Foothill sent two singles and two doubles teams to the Bolsa Grove Invitational and won first and third place plus the team high point trophy.

In CIF competition Foothill sent four of the six league representatives to take on the best. Amy Opfell and Tracy Wills worked their way up to the semi-finals where they lost to the winners of the CIF championship.

The top six players were Amy Opfell, Tracy Wills, Anne Marie Saunders, Nancy Killibrew, and Cathy Martin. All the girls worked very hard and each one deserves much recognition. A team that works together, wins together!

Hockey

Girl's Varsity Field Hockey finished in second place in the Century League, tied with Saddleback High School. There will only be three girls leaving us this year, so next year's team promises to be very strong and experienced.

VARSITY

The 1975 Varsity swim team had a very fine season. Our team was the Empire League champions. They also won the Orange County Championship for the fifth straight year. This years team established a new C.I.F. dual meet record with 59 wins in a row over the last five seasons.

The Aqua-Knights were paced by four year All-Americans Bruce Furniss and Peter Spurzem. Bruce broke his own national record in the individual medley and holds school records in five events. Peter lowered his school record in both the 50 and 100 yard freestyle.

Other outstanding performers this year were John Gansel, Bill Bunge, and Bill Davis who teamed with Bruce Furniss to set a school record in the medley relay. Frosh swimmers Kevin Strachen and Tony Yancey added much to the power of the team. Steve Yancey, Craig Furniss, Barney Gavin, Rock Gosselin, and Jeff Drucker were among the many Knights that combined to make Foothill the most feared swim team in C.I.F.

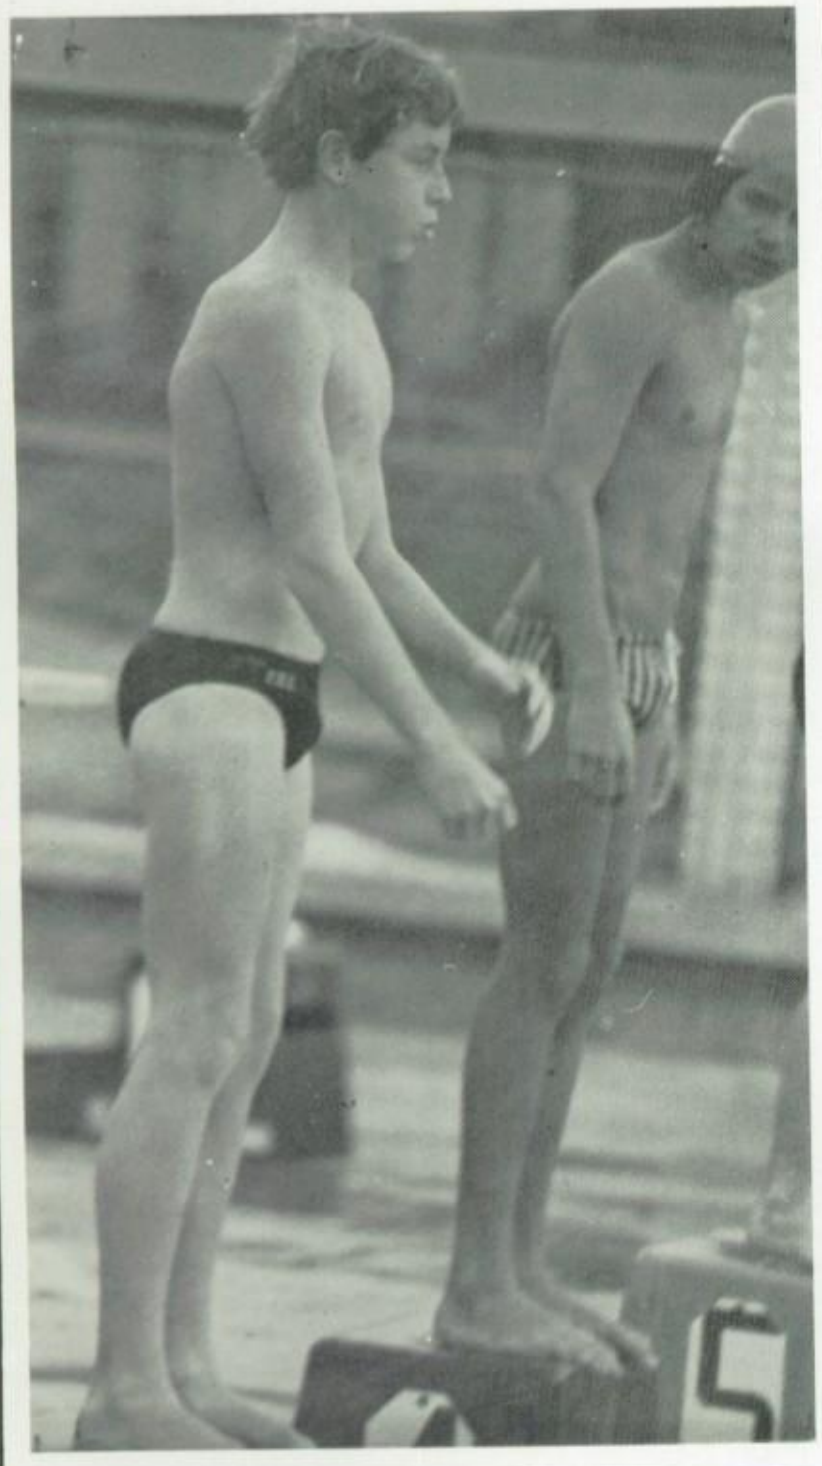
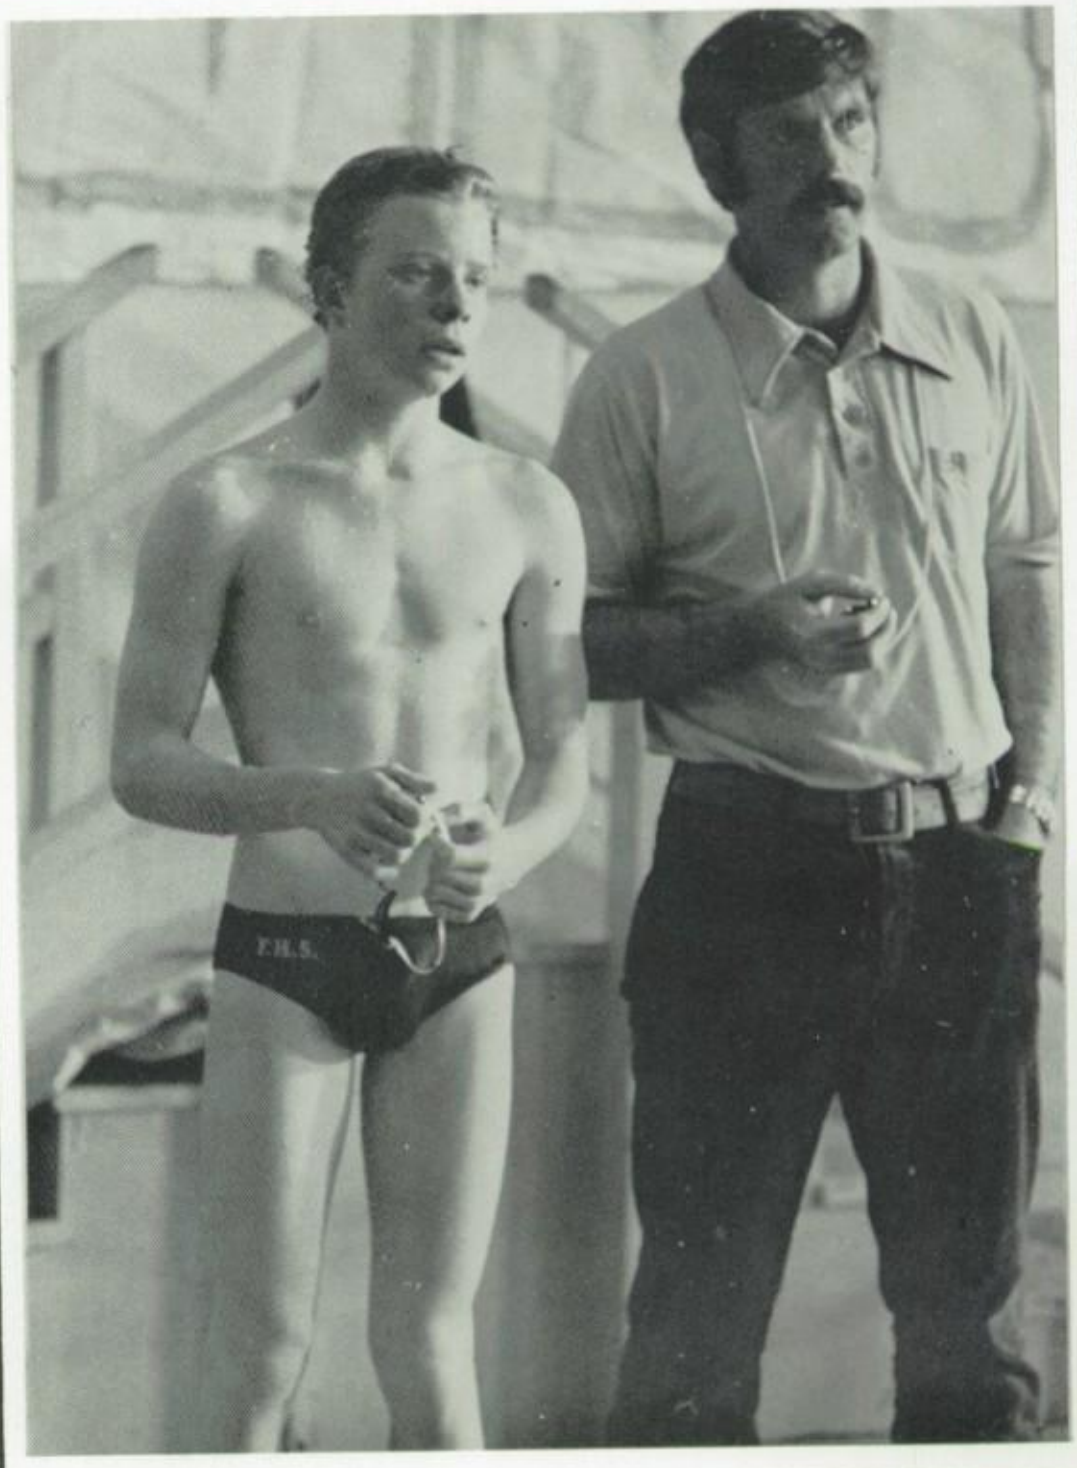
FROSH-SOPH

This year's Frosh-Soph swimming team is the strongest Frosh-Soph team in Foothill's history. This year's team had an impressive 12-0 season along with such honors as being Orange County champions, Anaheim Invitational champions, and ranked in the top three teams in C.I.F. 4A division. With the performances that were posted by the "Mini-Knights" this season, Foothill's aquatic future is indeed bright.

Although there were many fine performances this season, outstanding accomplishments were posted by: Tony Yancey, Jeff Dean, Buzz Harper, Brenden Donoghue, Ed Reynolds, Lee VanKirk, Phil Darling, and Steve Lindholm.

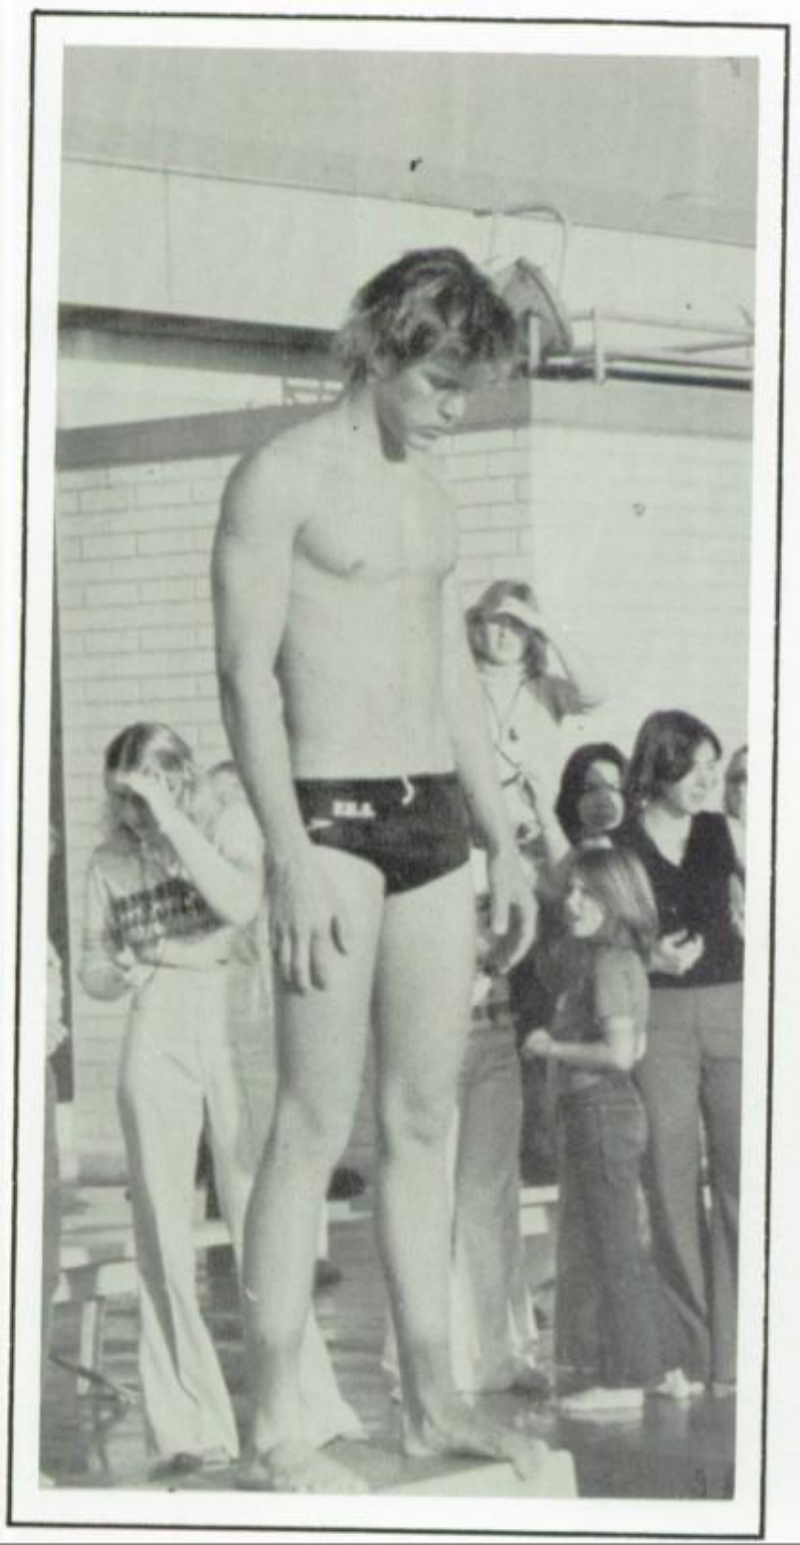


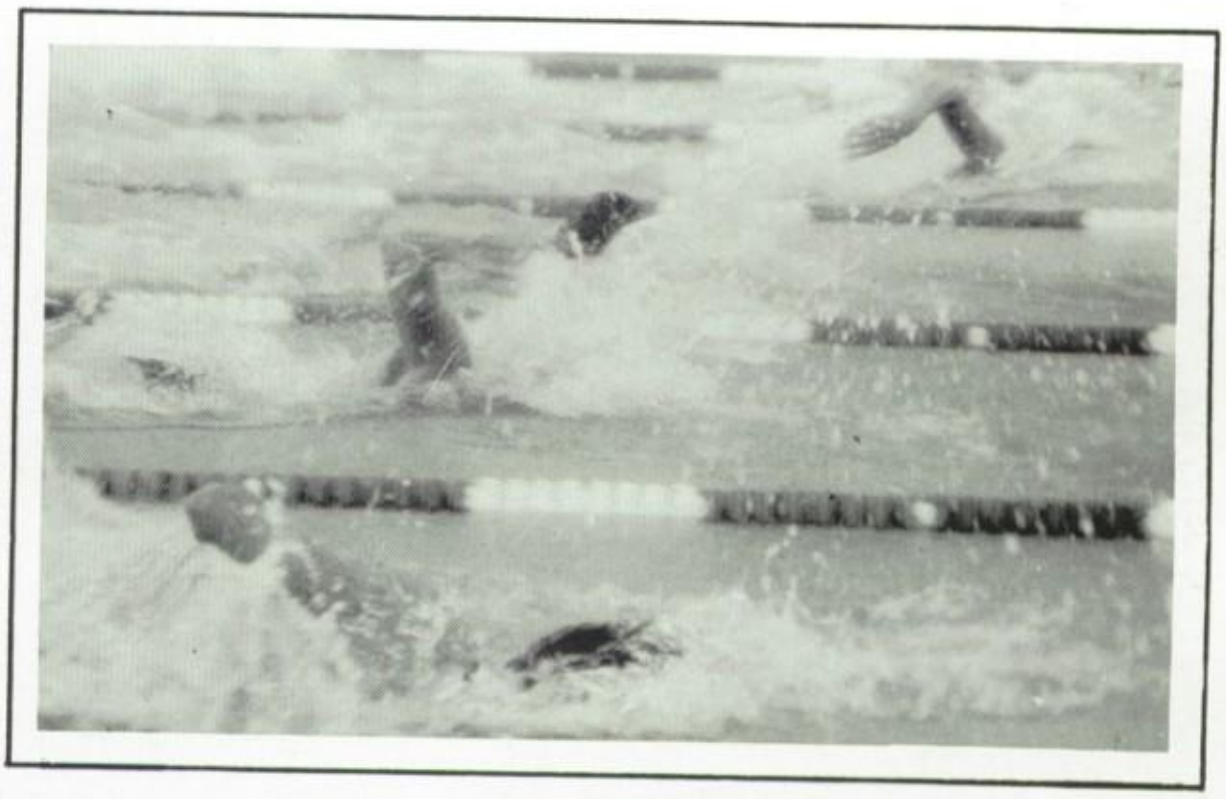


JR. VARSITY

This year's Junior Varsity team posted a very fine 11-1 season. There was no league championship for J.V.s, but the team performed like champions all season.

Some of the strong swimmers were Chuck Scott, Kevin Terry, Paul Terry, David Trotter, Bret Mackey, and Scott Turknette.





Senior Munches

Good food and nice entertainment typified the senior munches this year. The senior council picked several nice locations for the munches including The Elks Club, The Silver Fox, and The Tale of the Whale.

BASEBALL

VARSITY

The Foothill Varsity Baseball team is aiming for the league championship. With a 5-2 record, at the halfway point in league play, the Knights are in good position to finish on top in the Empire league.

With consistently good pitching, timely hitting and alert fielding, the Knights are a powerful team. The pitching is led by starters Rod Boxberger and Robert Steele with Paul Escalara and Ike VanSkike ready for relief. The hitting and fielding is led by infielders Kelly Combs, Greg Speicher, Rick Frey, Dave Phillips and outfielders Mike Heil, Steve Speicher, Ed Castro, Mike Knapp, Bill Floyd and Jim Davey. The important catching duties have been excellently handled by Tom Lu and Jake Hill.

This team has already won the Tustin tournament, in which Robert Steele was named M.V.P. and Rod Boxberger fired a no-hitter, and is expected to continue in the winning tradition of a Foothill team.

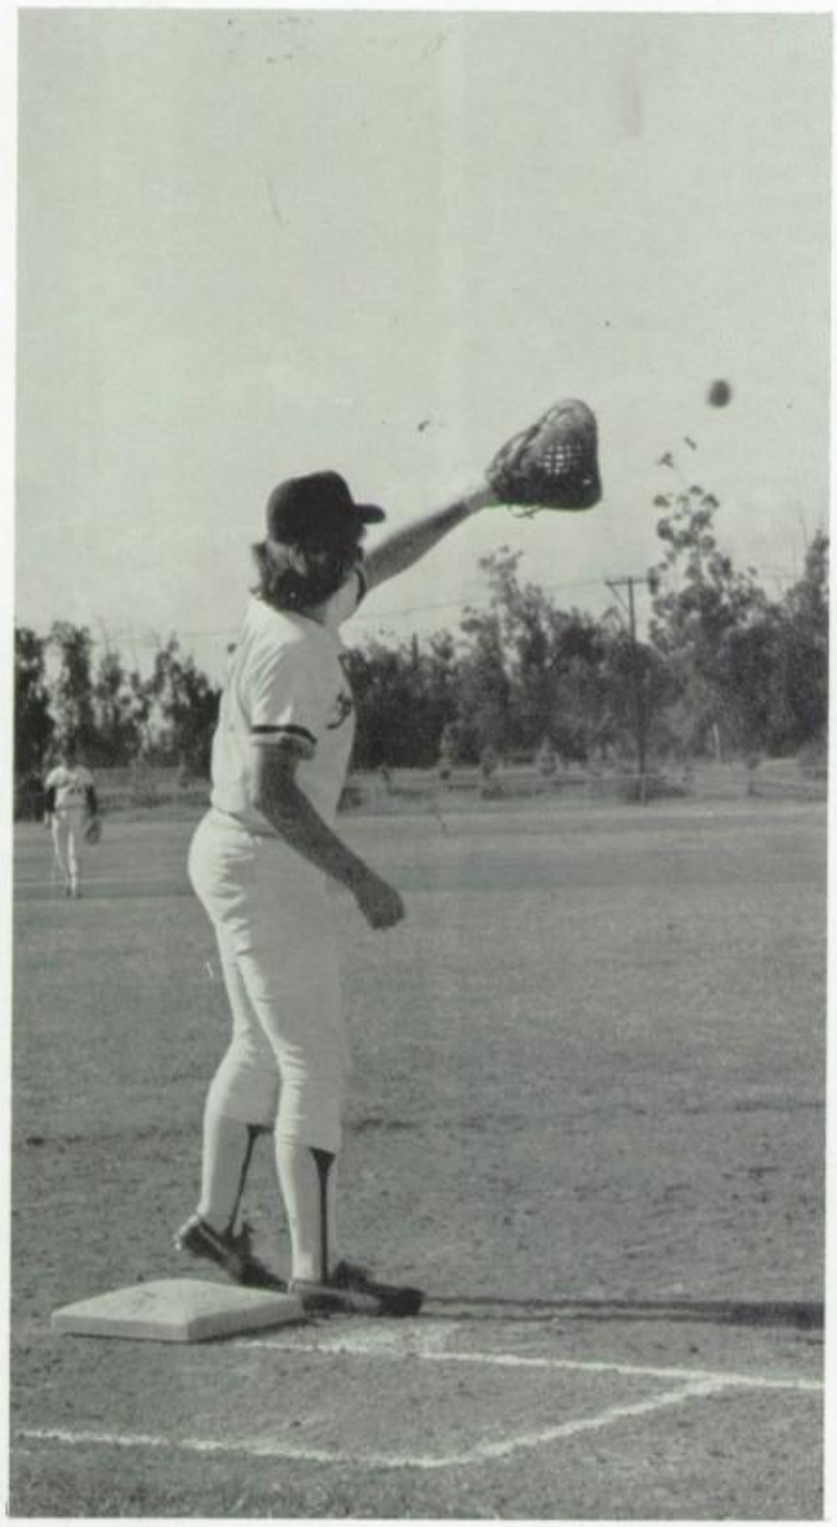
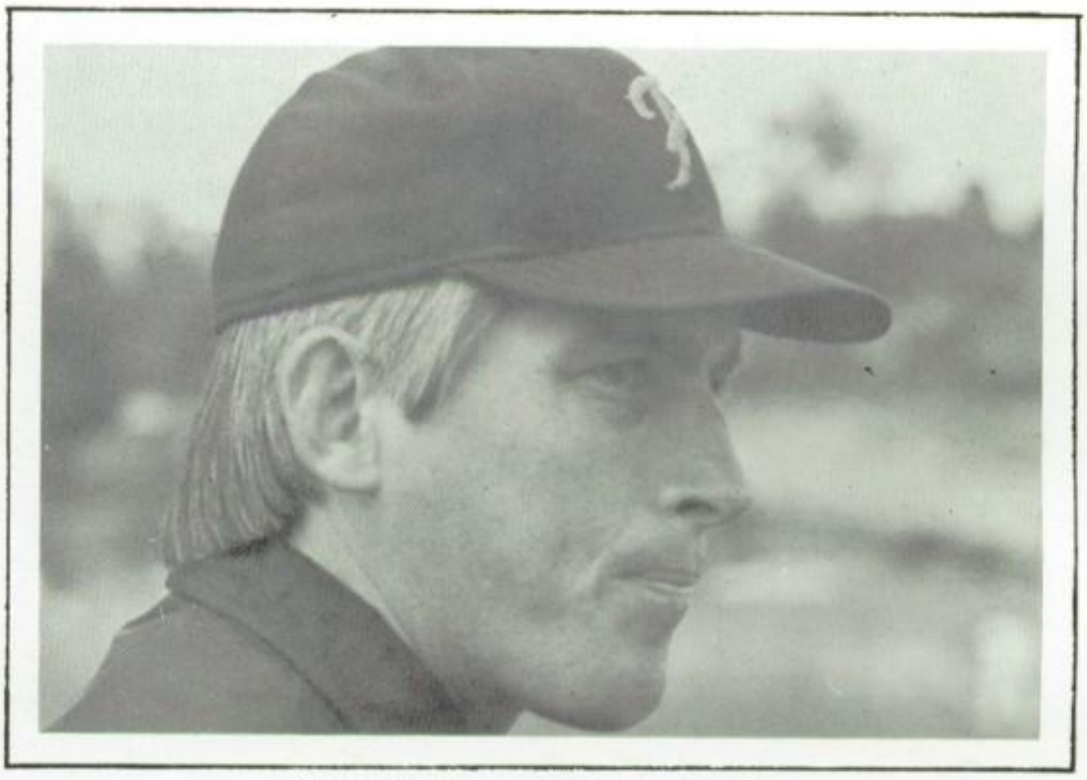
JR VARSITY

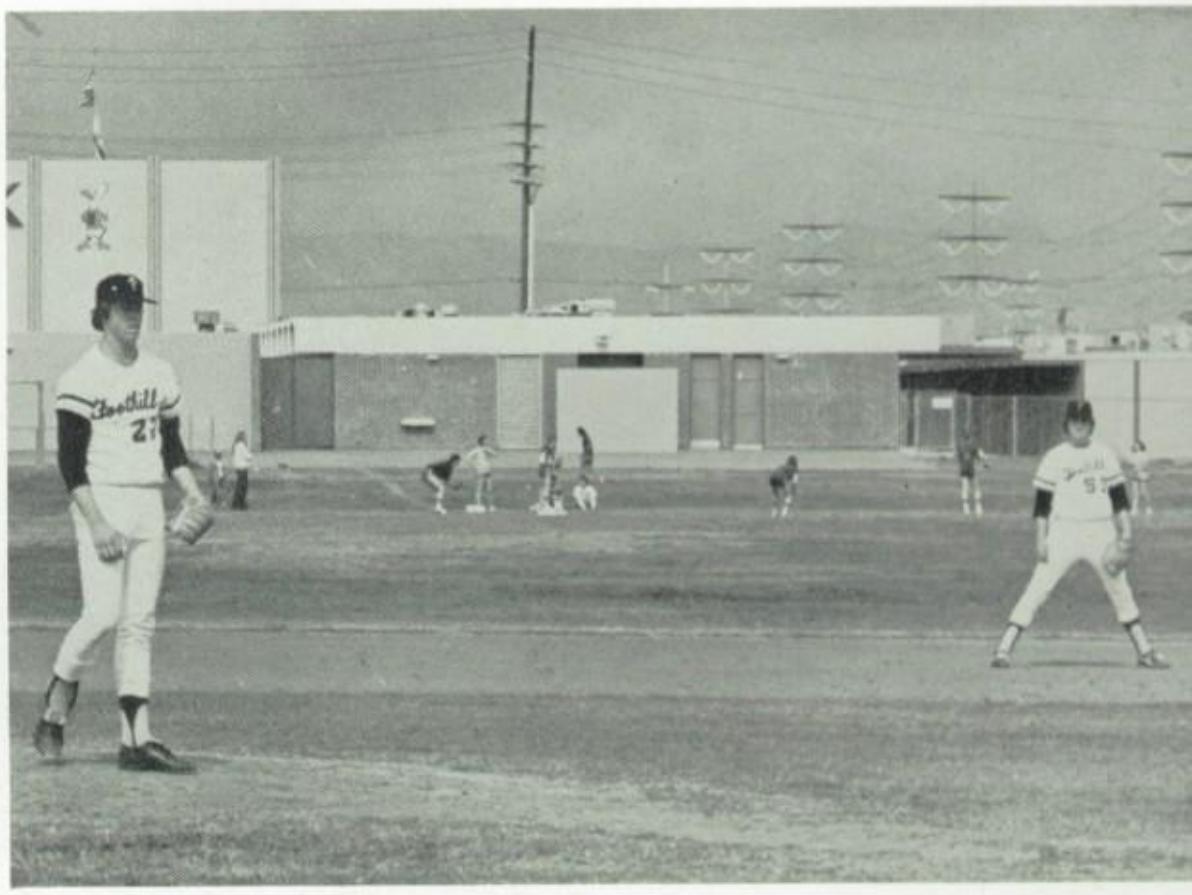




Coach Bauer concentrates on game.

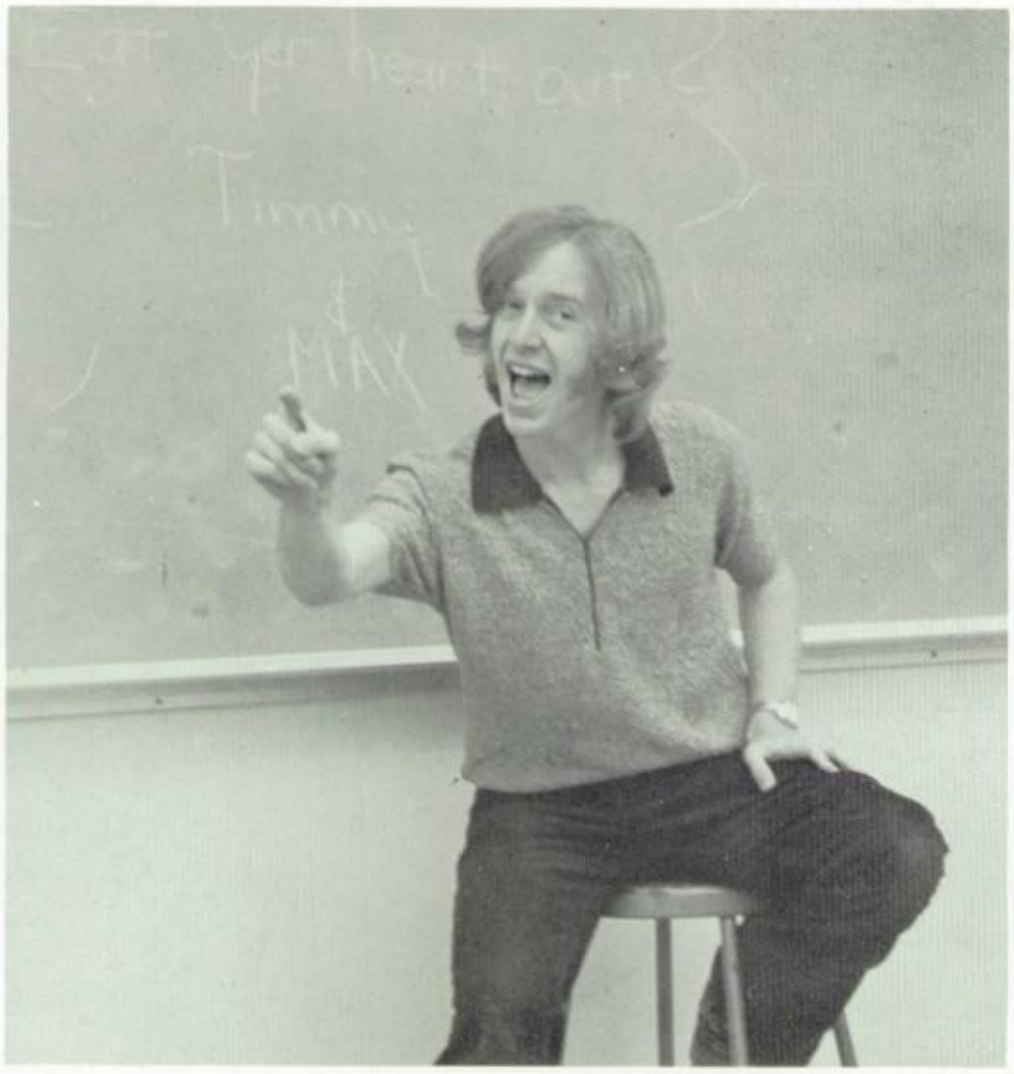
The 1975 edition of the Foothill Junior Varsity Baseball team featured a very young team. The team was characterized by the old cliche, "Never - say - die." This was exemplified in five of the first seven victories, in which the team rallied in the sixth or seventh inning to win, but the J.V. team was plagued by a large number of errors that contributed to many losses. However, with the youth and desire of the players on this year's team, the future of Foothill Baseball looks bright for years to come. Some of the outstanding players included Walt Combs, Jim Tracey, Bill Reagan, and Chris Collins.

FROSH-SOPH



At this writing the Frosh-Soph Baseball team has just completed it's first round of league play. So far, the team is at 4-3 in league play and 7-5 for the year. Coach Reames is very pleased with the team especially since the team is mainly made up of freshmen in a predominately sophomore league.

There are two outstanding freshmen pitchers, Al Brehm and Kevin Chapin. Al Brehm threw a no-hitter against Saddleback. Other outstanding players are George Blanton, Greg Herman, Dave Knox, and Scott Haigh. These players have an excellent future in the Foothill baseball program. It's strengths are good hitting and good defense.



Speech Team

1975 proved to be a very successful year for Foothill's Speech Team, otherwise known as Foothill's Forensic Follies.

Joel Patterson placed in State Qualifiers in dramatic interpretation, although he also competed in original oratory. Steve Valencia also participated in and placed at the State Qualifiers.

Alice King, another dramatic interpretation artist, won the National Qualifiers competition and will be competing at Nationals this summer in Indianapolis.

In original oratory, Marlee Means was persuasive enough at the Orange Optimists Club competition to win, and is eligible for a $500 scholarship.

Many others on the team competed in other types of competition, making the year a most diligent one for all.

Carnation Sales

What would Valentines Day at Foothill be without the annual carnation sale? It was again a huge success under the careful direction of Girl's League with Greg Holmes becoming Mr. Irresistible.

Sadie Hawkins

This year's Sadie Hawkins Dance was probably the most highly attended Sadie Hawkins Dance ever put on by Foothill's Girl's League. It was held in a covered horse arena at the Coto De Caza Country Club, therefore an unlimited number of tickets could be sold.

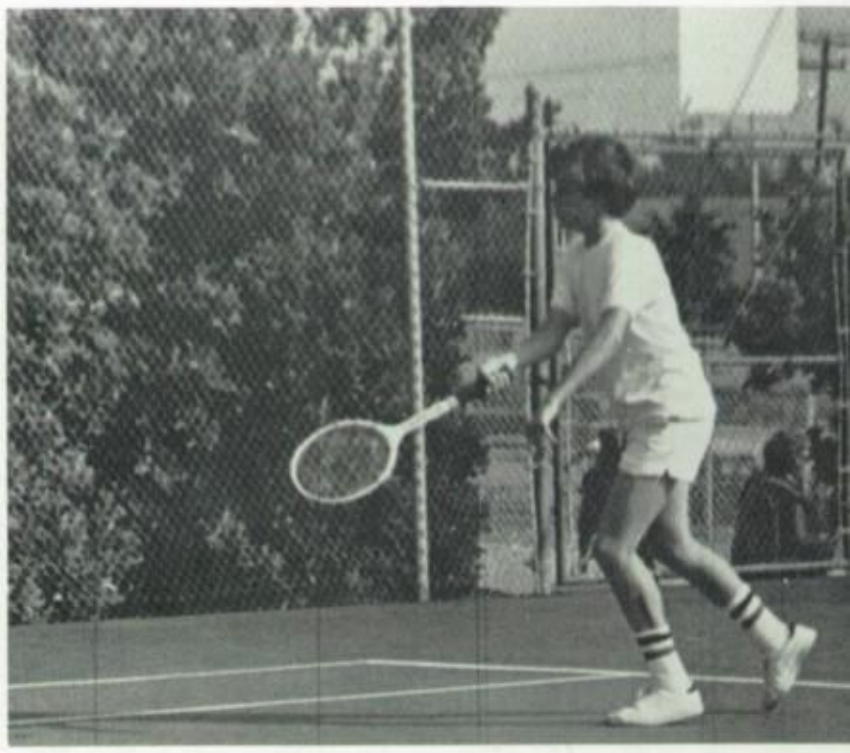
Tennis

This year's tennis team is expected to take the Empire League. If the Knights are successful, this will be their third consecutive League Championship. The Knight's toughest opponent was Huntington Beach, and the Knights won by a score of 17½ to 10½. They presently have a record of 7-0.

The Knight's most valuable player this year is a Junior, Chris Dunk. Chris is number one and is also undefeated in the league. Other Varsity members are: Scott Sellens, Rick Plows, Scott Morton, Jill Morton, Ted Filley, Dave Shanbrom, Bob Tripp and Steve Turbow.

Looking into the future, the tennis team is expected to win a C.I.F. Championship next year, with the outstanding Junior players coming up.



Well, you're finally showing progress!

Susana Narajanos
Ecuador – ICX

My name is Susana Narajanos, I am from Quito, Ecuador, South America. My country is located in the equator therefore it has every kind of weather. Quito is located among mountains which, during the winter, are covered with snow.

I am staying with the Rayces family. This is just a lovely family, the parents are like my own and they have two girls with whom I get along so well that I feel they are my sisters. I am having a wonderful time while living with them. I love them very much.

As everything in life we have good and not so good experiences. That is what makes life fun. In my home here, I feel each moment is a member of it. They are taking me to many places and have given me the best.

The main thing I've observed in American homes is that each member is an individual and each one does things on his own. At school, my impressions are that most people are friendly, but few people can really be called friends. I like this school very much, students and teachers are always ready to help one another and especially the teachers to the students.

With my friends I am very happy; I am going through a lot of beautiful moments which I will remember all my life. I am sure I will be back to see them again. In conclusion I can say that this is just a complete wonderful experience in every aspect, I think this is a good opportunity and I thank you very much.

Cathy Denamur
France

My name is Catherine Denamur, I was born in my small town of Recquegness, France in northern France just at the Belgian border.

After having received a letter, which asked me if I want to come for the school year. After a long time of reflection, my parents let me go. Mr. and Mrs. Friedeman and Mrs. Weber, a French teacher at FHS and a friend of my parents, were waiting for me when I arrived in L.A. I was very excited to see my new family, I didn't know anything about her, but now it is a very nice family and I can say I am like the other children.

I had a big problem when I came here because my English was very bad, and right now it is now quite well.

One thing funny, at first I couldn't open my locker, so every time I wanted to use him I had

Veronique Tackoen

Belgium – AFS

Hi, my name is Veronique Tackoen. I come from Brussels, Belgium. I am here on the A.F.S. program and I stay with the Lowe family. My two American sisters, attend Foothill too. Cindy is a senior and Pam is a freshman.

I really enjoy staying here. This year is a great experience for me. I learned a lot about myself living away from home, speaking a foreign language. I now feel like a member of my new family, of a new community.

A.F.S. is rewarding because it gives you an opportunity to meet a lot of people, not only Americans but A.F.S. students from all over the world.

I love the weather of California. It is terrific, especially compared to the weather in Belgium. It is great to play tennis even during the winter!

I appreciate how friendly everyone is, it helps me a lot to adapt myself. I would like to thank all teachers and students from Foothill for being so nice.

Sally Lingford

Australia

AFS

Hi! My name is Sally Lingford, and I come from Geelong, Australia. It is a city of 140,000 – 50 miles from Melbourne. At present, I'm staying with the Martin family. Laura, a Foothill senior, is my host sister, and I really enjoy my family life, and all the experiences that I've shared with them.

Over Christmas, I travelled to Lake Tahoe, which was a real experience for me because I had never skiied before. I love it, and hope to ski some more when I go home. Southern California is all totally different for me, as it's education system, population distribution, geography, and climate is all totally different from Australia's.

The A.F.S. programme has given me so much. My year here has taught a lot about myself, as well as California. Through being in the programme, I have met many people of foreign countries, who I can share the same learning process with. With friends all over the globe, the world seems considerably smaller.

Besides my American friends, these people are also friends whom I never want to lose contact with. The friends I've made here, and the experiences that I've had, all from one year of my life that will always hold fond memories for me.

I hope that I can return to the United States one day, and renew the friendships that I have made. They have given me so much: a healthy view of the American (Californian) individual, and family way of life.

Otelia Pinete
Vera Cruz

Hi! I'm Otelia Pinete, from Vera Cruz, Mexico. I came to the U.S. in August to live with Mr. and Mrs. Philip Rocco and their family. Rochelle is a junior at FHS so I come to school with her.

I like Foothill very much because the people are friendly. School is very different here from the schools in Vera Cruz. The experience of walking to every class is different to me; in Vera Cruz the teachers walk from class to class. Lockers are something new to me also; at first I had problems but now I don't.

I like to participate in many different sports. At home I ride and show horses. While living here I have learned to play tennis and pool, I have been swimming and hiking and bike riding. Over Christmas I saw snow and skiied for the first time. I really enjoy skiing.

I have really enjoyed my time here and I hope I can return to the United States again soon. Thank you all for everything I have experienced this year.

Luxy Gussow
Germany

Hello, my name is Luxy Gussow, and am from Germany. I am not an A.F.S student. I am here privately and the famil I am staying with, the Meiers, are goo friends of me and my family at home They are really great and we understan each other very well.

The last six months were quite an ex perience for me. I learned a lot abou people and meeting new friends. Even s it was not always easy; this year here a Foothill gave me a lot of self confidenc and courage.

Also I found a lot of really fantasti friends at Foothill. I hope some of ther will be able to come to Germany som day and visit me. They really gave me a easy start here in school. I am very thank ful that I was able to come to Californi and I am sure, I will never forget this al solutely great year at Foothill.

Kelly chairs a meeting.

This year, as a result of a total united effort the A.S.B. Cabinet gained new responsibilities. A strong relationship was established with the administration thereby giving the cabinet added decision making power.

New efforts were put forth toward communication with the student body urging students to take pride in and become more involved in student activities. Through hard work, the cabinet has tried to place the student in a respected position, a position in which he can take an active part in curriculum, school policy and student activities.

This year the ground work has been laid for future students to take a more active part in the running of the school. The cabinet thanks the students and administration for their support.

JENSEN

Self-Aligning Sprinkler Counterbalance

Sprinkler head rotates freely, always remaining upright regardless of angle of water pipe.

Patented, free-moving, counter balanced connector keeps the sprinkler upright regardless of the riser angle. **(Patent no. 3045922).**

Bearing surfaces of Teflon and brass with stainless steel tubing assures free movement under all conditions, and greatly reduces the possibility of rust or corrosion.

The bearing assembly is spring-loaded to seal out all foreign materials and pre-lubricated at the factory. In addition, high quality neoprene "O" ring seals are used to provide sure protection against leaking under any field condition.

To eliminate the need for drainage in case of freezing, the base of the counterbalance is cast in high-tensile strength iron. It is coated with vinyl epoxy for maximum rust proofing.

Two models are available; no. 3570 for 3/4" sprinklers, and no. 700 for 1" sprinklers.
